

Volunteer Registration / Expression of Interest

Welcome to the Seymour FM team,

We are local community radio for the northern Mitchell Shire, and the Strathbogie Shire, our mission is "To give a voice to the people of Seymour and the townships within the Northern Mitchell shire, by providing opportunities for news, discussion, current affairs and entertainment"

To make this happen, we welcome local people, and those from neighbouring regions, to join the team – we have many areas that you can be part of – including presenting radio programs, promotions, special events, outside broadcasts, sports, local news, fundraising – to name a few.

If you have the expertise, or an interest - and keen to learn and gain experience, we are pleased to welcome you as one of our volunteers.

Please complete this short form, and send or email to us at Seymour FM

Name: _____

Address: _____ Postcode _____

Phone: _____ E-Mail: _____
